*FOR TESTING ELIGIBILITY: Tests are limited to qualified residents in certain states.

COVID-19 testing for medical purposes is no cost with insurance plans or through the federal government's Uninsured Program. In select locations, appointments do not require a vehicle.

How it works:

- Check your eligibility.
- Make an appointment.
- Arrive at your scheduled time.
- Follow posted instructions to get tested.
- Get your results.*

*FOR TEST RESULTS: Lab samples are sent to an off-site laboratory. The majority of results are available within 2 to 3 days, though results may be delayed based on lab performance particularly in times of peak demand.

Your safety is our main priority.

- Patients being tested are required to keep their face coverings on except when being swabbed.
- Our test-site colleagues are provided with protection equipment recommended by the CDC.
- Surfaces are sanitized after each test visit.
